In Tribute To:

Professor Dorothy James of the Music Department faculty. To those who know her, Miss James is a stimulating and exciting teacher, a guide and a friend. To the whole college who know her as a creative artist of substantial stature, she is a source of real pride.

As a creative artist, she has received wide recognition. Particularly notable have been the musical compositions she has produced for children.

Her work as a teacher has influenced innumerable students and has inspired them to achieve great heights. Her pride in her students and their work is as great as that in her own.

ADMINISTRATION

PRESIDENT ELLIOTT

Distinguished for years of splendid service to Eastern Michigan College is President Elliott. Since 1948, he has seen the college continue to grow into one of the outstanding institutions of its kind in the country.

DEAN NELSON

He was formerly superintendent of Lincoln School. Last year he became our Dean of Instruction.

MR. KLAGER

A tribute should be made to this outstanding man who for many years has served as the General Controller. He has done a remarkable job.

MR. PROFIT

Mr. Lewis E. Profit is Director of Self-Liquidating Projects, a new office formed on campus last year.

MR. GREEN

For many years Mr. Green has been Assistant to the President. In addition to this office, he was last year made Director of College Planning and Development.

DEAN LAWRENCE

Dean Lawrence has shown all the capabilities of a progressive leader, with patience and understanding in dealing with the students.

DEAN HOLLIS

Dean Hollis is kept busy by keeping the social calendar up-to-date and arranging for additional teas, dances and meeting.

DEAN CURRIE

Dean Currie is kept more than just a little busy with his duties as Associate Dean of Student Affairs and Director of Placement and Alumni Relations.

DEAN BROWN

Students admire Dean Brown for his quiet interest in their personal and group problems and his sound, far-seeing advice.

MR. BUCKINGHAM

As Manager of McKenny Hall, he is well known and liked by hundreds of students on the campus.

DEAN CRANE

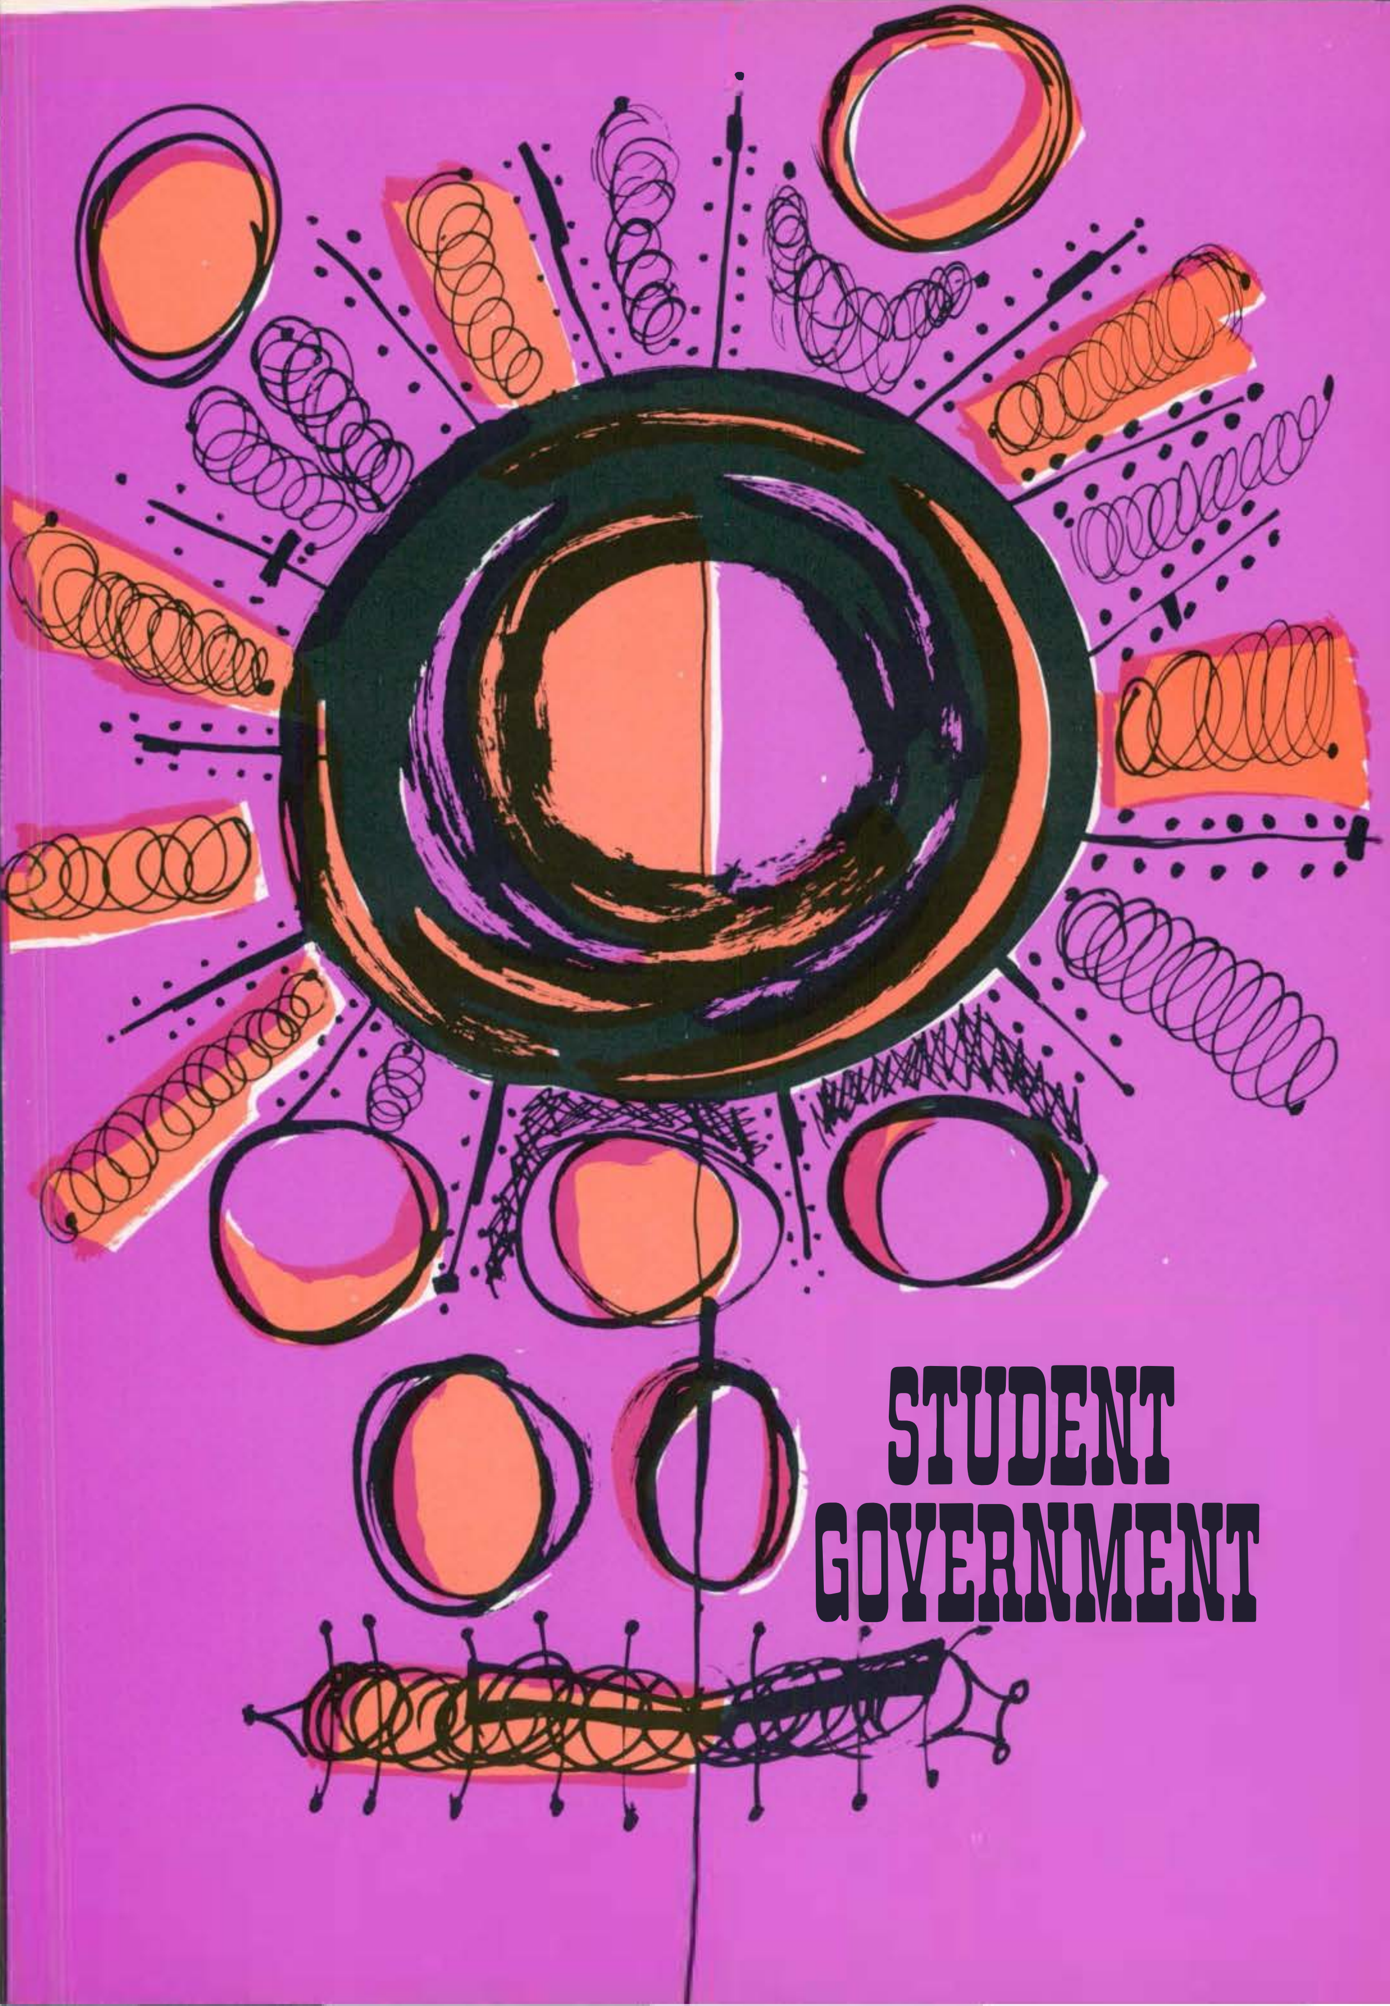
Our Associate Dean of Men is a newcomer to the administrative staff, but he is doing tremendous work in helping the men of our campus.

DEAN HILL

The deep understanding and counseling she has given to others prove her ability as Dean of Women Students.

As Assistant Dean of Women, she has taken a realistic approach in helping to solve the problems of the women on our campus.

DEAN RUDIN



STUDENT GOVERNMENT

STUDENT COUNCIL

ROW ONE: D. Wetherell, N. White, P. Broderick, M. Miechiels, R. Bradcom, M. L. Ranspach.
ROW TWO: S. Choate, D. Grath, T. Batts, R. Boyce, B. Rose, J. Brown, Mr. D. Currie, K. Santer, R. Eppler.
ROW THREE: D. Parks, P. Jablonski, J. Malin, I. Hykl, T. Cousins, W. MacLarty, H. Fast, R. Bales, S. Landen, W. Mead, B. Butler.

Eastern Michigan College's largest and major student governing body is the Student Council. Its officers are elected by the student body at large each spring. Each of the remaining members represents one hundred students and are elected by the dormitory students and off campus students separately.

Every student is eligible to be elected to the Student Court, which is a branch of the Student Council. The members on the Court have the power to take action on any person sent before them who are caught violating rules of the campus.

STUDENT COURT

T. Anderson, S. Poling, D. Wintrode, Mr. D. Currie, P. Spitali, K. Santer.

STUDENT SOCIAL COMMITTEE

EASTERN MICHIGAN
COLLEGE

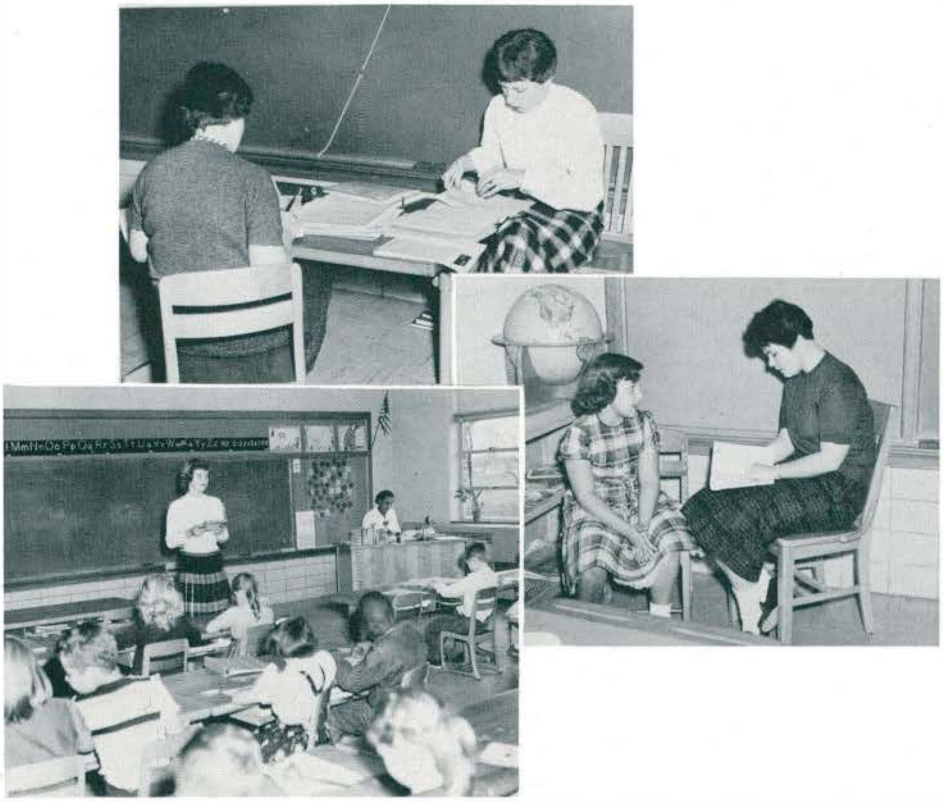
ROW ONE: D. Sloan, C. Kirkpatrick (Chairman), T. Santer.
ROW TWO: Dean Hollis (Advisor), I. Trinkle, D. Temple, I. MacMillan.

The work of the Student Social Committee includes the planning of after-game dances, the Homecoming dance, and orientation mixer dances. The committee also plans one or two jazz sessions a year and offers six lessons during the fall semester to give students an opportunity to learn how to dance socially.

WOMEN'S LEAGUE ADVISORY BOARD

ROW ONE: E. Potochan, M. L. Taylor, P. Ernst, J. McLeod.
ROW TWO: M. Stelzer, M. Masters, M. McTavish, L. MacDonald.

WOMEN'S LEAGUE COMMUNITY SERVICE



WOMEN'S LEAGUE REPRESENTATIVES

ROW 1: J. Anderson, D. Shorter, J. Jakubizen, J. Petzold, A. Waldo, B. Rydkolm, P. Menoutes, T. Ramsburg, J. Hunger, M. Constas, N. Puehler, I. MacMillan.

ROW 3: J. Malin, N. Hague, F. Mackes, S. Clancy, M. J. Searles, D. Poet, G. Ostby, S. Reeves, M. Drake, D. Temple, K. Segerlund, C. Krump.

The Women's League

The Women's League aims are to help its members by providing a means for all women students on campus to participate in student government, offering an opportunity for membership in group activities, and maintaining high standards in college life. It also provides an opportunity to practice techniques of friendliness, leadership, cooperation and democracy.

Since its first year in 1919, the League has been a member of the National Intercollegiate Association of Women Students. This successful year at E.M.C. was highlighted by the senior dessert, senior breakfast, Harvest Hop, League Lark, a helping hand in orientation, and participation in many forums.

Every woman on campus belongs to the Women's League. The Dean of Women, Susan B. Hill, and Assistant Dean of Women, Helen Rudin, are its advisors. The group chose Ann Hosie to lead them as president through this past year.

THE MEN'S UNION

Every man enrolled at Eastern Michigan College is a member of the Men's Union. James Brown, Dean of Men and William Crane, Assistant Dean of Men, are the advisors. The men elect their own officers and were led by President Bill Graham this year.

The Men's Union strives to improve the social life of its members, assist them with their problems, and intensify their interests in student affairs in a cooperative manner. It works with many other campus organizations to promote a democratic spirit of fellowship.

Some of the functions undertaken by the 1956-1957 Union and which helped to make it successful were: The Mad Man's Marathon; films of the homecoming game, parade and other homecoming activities; Yule Log Drag and Christmas party.

SENIOR CLASS

The Senior Class led by a roster of capable officers has completed its last year with a fine record.

The class has participated in many campus activities including the Christmas Sing and Homecoming, but the final days before Commencement have been the busiest.

Trying to maintain the tradition and ceremony which is synonymous with graduation, the officers and committees have worked hard to make the Senior Dinner Dance and Commencement days for all to recall with fond memories in future years.

FOOTBALL

The 1956 Huron football team ended the season with a 4-4 record. Led by John Malone, Captain Tom McCormick, Dale Nicholas, Doug Wilkins and Kerry Keating in the backfield, the Hurons scored wins over Baldwin-Wallace, Western Illinois, Eastern Illinois and Northern Illinois. Losses to Illinois Normal, Southern Illinois and Central Michigan knocked the Hurons of the IIAC championship race. Our traditional game this year over the Totem Pole with Central Michigan was lost by a score of 19-0 despite fine defensive playing on behalf of linemen Jim Allen, Tom Sibert, Charlie Shonta, Dick Daly and Richard Tutich.

Seniors who have played their last game for the Green and White are Doug Wilkins, Herman Carroll, and Dick Daly. Both Captain-elect Gerald Brown and Coach Fred Trosko are looking forward to this coming football season with championship ideas.

CROSS-COUNTRY

Captain Dave Schultz and Coach George Marshall.

The 1956 Huron Cross-Country team led by Captain Dave Schultz started the season by placing 3rd in the Michigan A.A.U. and winning the University of Chicago meet.

Despite the absence of several veterans and the loss of meets earlier in the season to Central Michigan and Miami, the Hill and Dalers finished the season victoriously as co-champions of the IIAU Cross-Country Crown. The Hurons in the past have won the conference title ever since the league was founded in 1950, and this year proved to be no exception.

Both Coach George Marshall and Captain Dave Schultz look toward the future season with much optimism as harriers Schultz, Zitny, Beach, Carroll, Buck, Patrick, Wells, Campbell, Pellerin and Ford are expected back to form a strong squad with championship ideals.

BASKETBALL

The Eastern Basketball team finished the season with a 9-14 record. Bill Stephens, Dave Parks and John McIntyre lead the Huron scoring attack. Although both Parks and Stephens were ranked high in the conference scoring, the team's defense was its weakness. Despite the loss of Rainey, Parks and McIntyre, Coach James Skala expects a better season next fall.

TRACK

The Eastern Michigan College track team this year will go down as being one of the better track teams produced in a long tradition of track and field. Coach George Marshall has had 17 returning lettermen and a host of freshmen material. Led by Hayes Jones, freshman hurdler and broad jumper, the Huron trackmen have swamped Chicago University and Central Michigan. In a dual meet with Michigan the cindermen were edged 60-44.

George Marshall has Hayes Jones, Paul Jones and Joe Graf in the hurdles. Dean Sloan, Jadwaa Ahmad, Bill Stevens and Loman Gardner in the dashes. In the distances, Ken Santer, Jerry Zitny, Doug Carroll, Gurney Beach, Bob Patrick and Jerry Buck will lead the corps of men.

In the 440, Krieger, Simpson, and Keating are the main cogs with Bob Wright in close pursuit. Jim Allen, Bob McMackin, Al Day, Werner Strong and Jim Robinson led the parade of thinclads in the field events.

The Hurons are heavy favorites to regain the conference title which Central Michigan has held for two consecutive years.

It has a very fine hydro-therapy and electro-therapy room with the latest in training needs. Mr. Hershey, along with Kerry Keating, Dick Herring, and Tom Turnbull, all student assistants, perform an invaluable service to the athletes and coaches. INTRAMURAL

The Eastern Michigan College Intramural Department has been a source of athletic activities for men over the years. It sponsors athletic leagues for both fraternities and dorm men. The games begin in the Fall with football and soccer.

During the winter, bowling, basketball, swimming, table tennis and volleyball make use of campus facilities. Softball, tennis and horseshoes are the athletic events in the springtime.

A program of this type with over 1,500 participating would be too much for one man. Under Floyd Olds' supervision, there are two intramural managers, over 30 officials, and 50 dorm or fraternity managers.

Having fun!

BASEBALL

The 1956 baseball team led by Frank Manley, Don Matthews and John Davis in the hitting department finished the season with a 7-5 record. Outstanding freshman for the season was voted to Lou Nemeth who handled the catching chores. Seniors who played their last game for the Hurons were Larry McDonald and Larry Slepsky, captain. The pitching staff composed of Hal Goodhue and Ed Mirer contributed much to 1956's successful season.

This year's team will be somewhat weakened by the loss of Don Matthews and Jerry Wedge, but Frank Manley, Bill Birkle and Chuck Shonta are expected to fill in the gap and, together with Coach Bill Crouch, are anticipating another successful season.

INTERFRATERNITY COUNCIL

The Interfraternity Council integrates the men's social fraternities. The purpose of this council is to develop a closer relationship and a better understanding among the fraternities and to promote activities that will aim toward this goal. The council, composed of two men from each recognized fraternity, legislates the pledging rules, directs pledge activities, and discusses general fraternity policies.

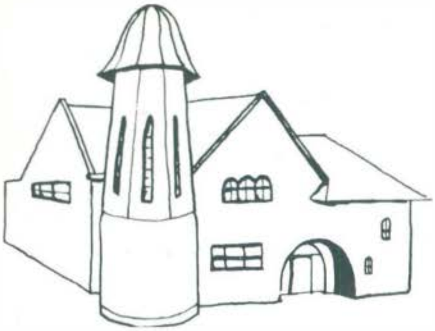
RELIGIOUS



Starkweather Hall is the home and headquarters of all the religious groups on campus. The doors of this famous campus landmark are always open to students. In addition, many organizations hold their workshops and social events here and are welcome to use all of the available facilities.

Every Wednesday afternoon, the Student Religious Association sponsors a free coffee hour popularized by students and faculty. Programs presented during these informal gatherings often consist of interesting speakers and movies. Through these coffee hours and various other activities the Student Religious Association aims at promoting understanding and fellowship among the church groups.

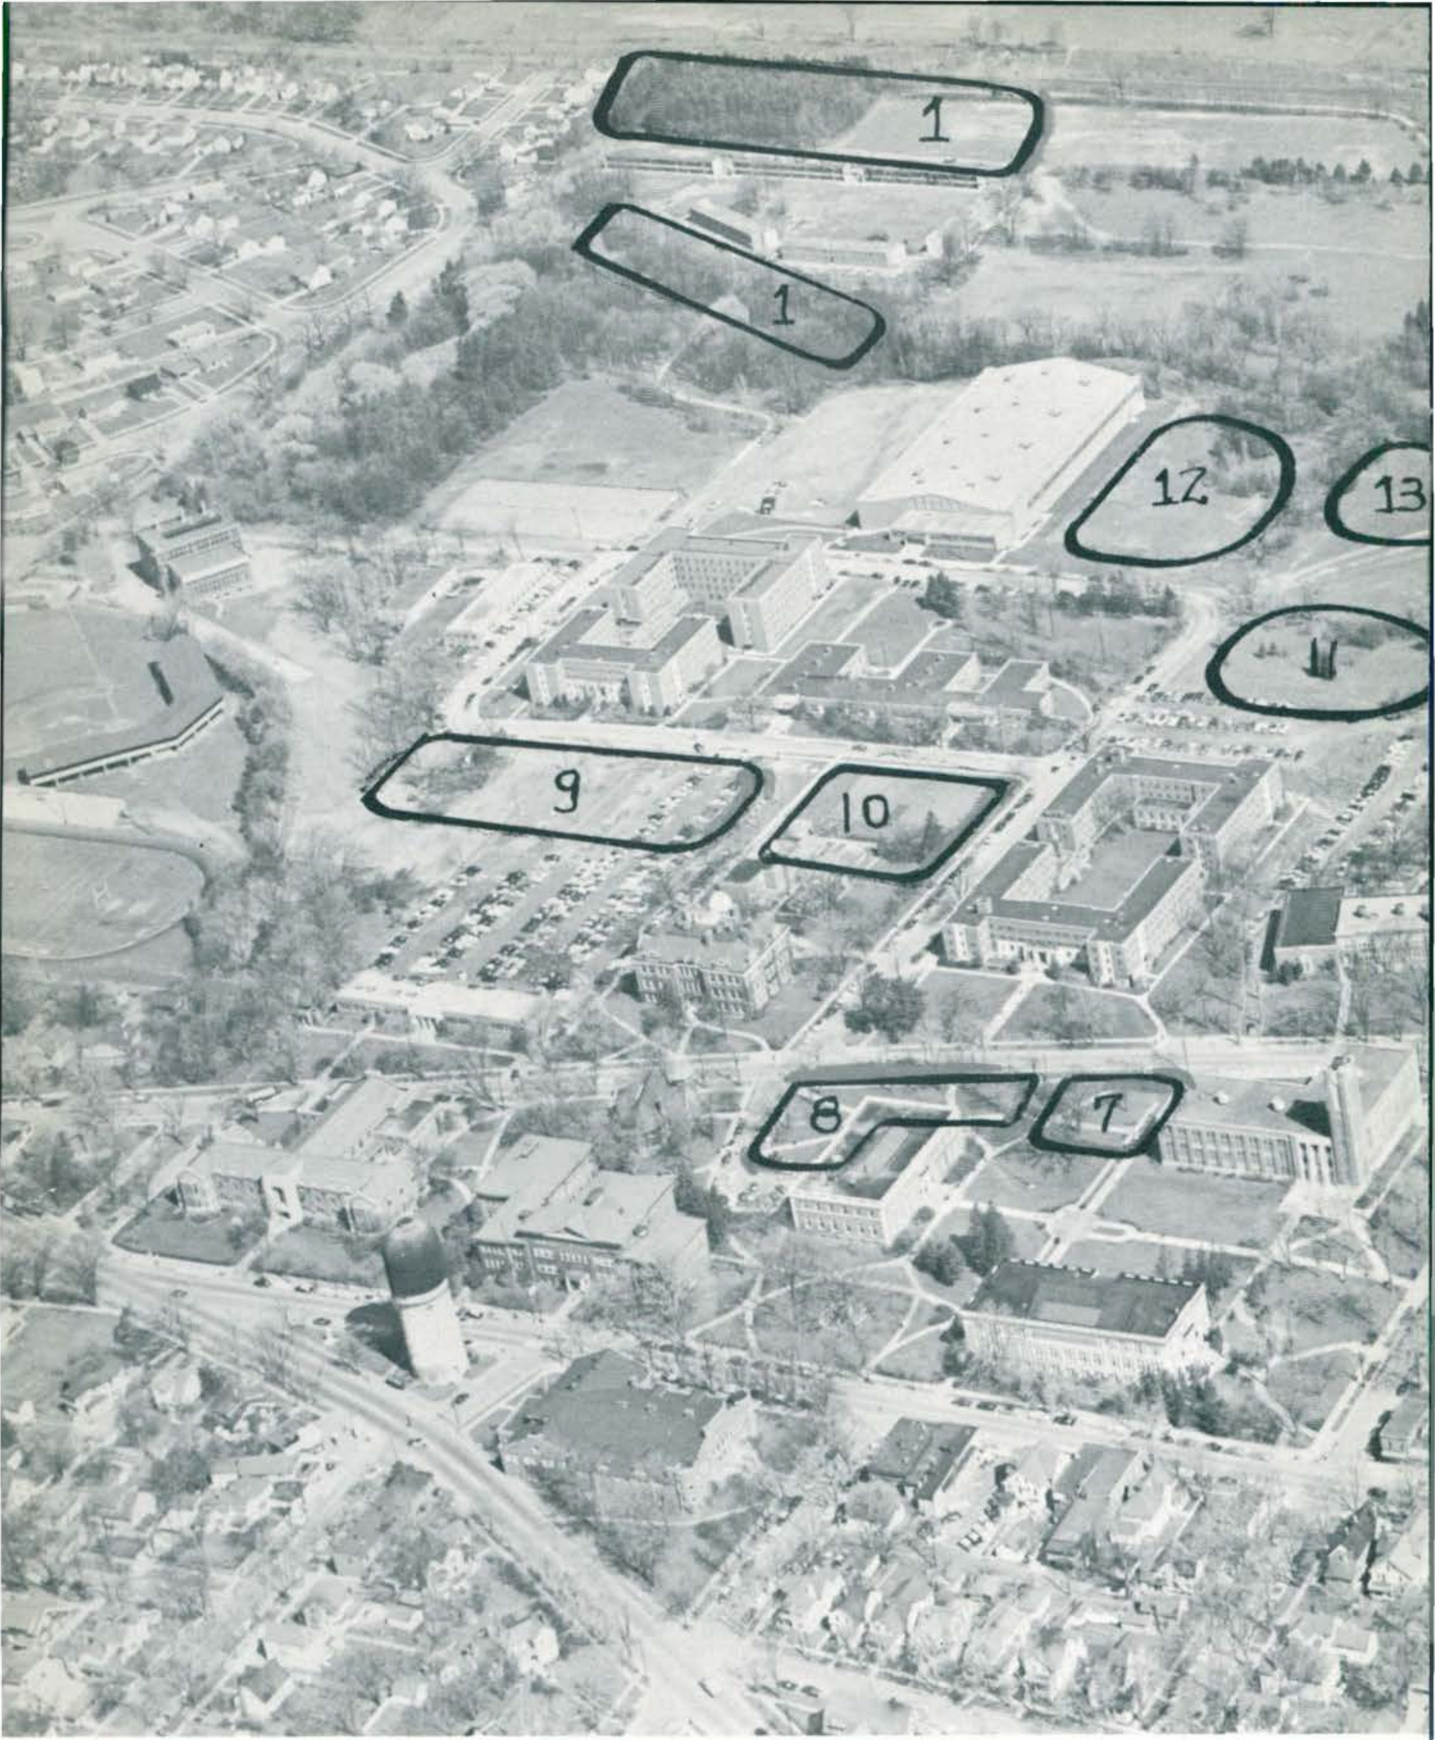
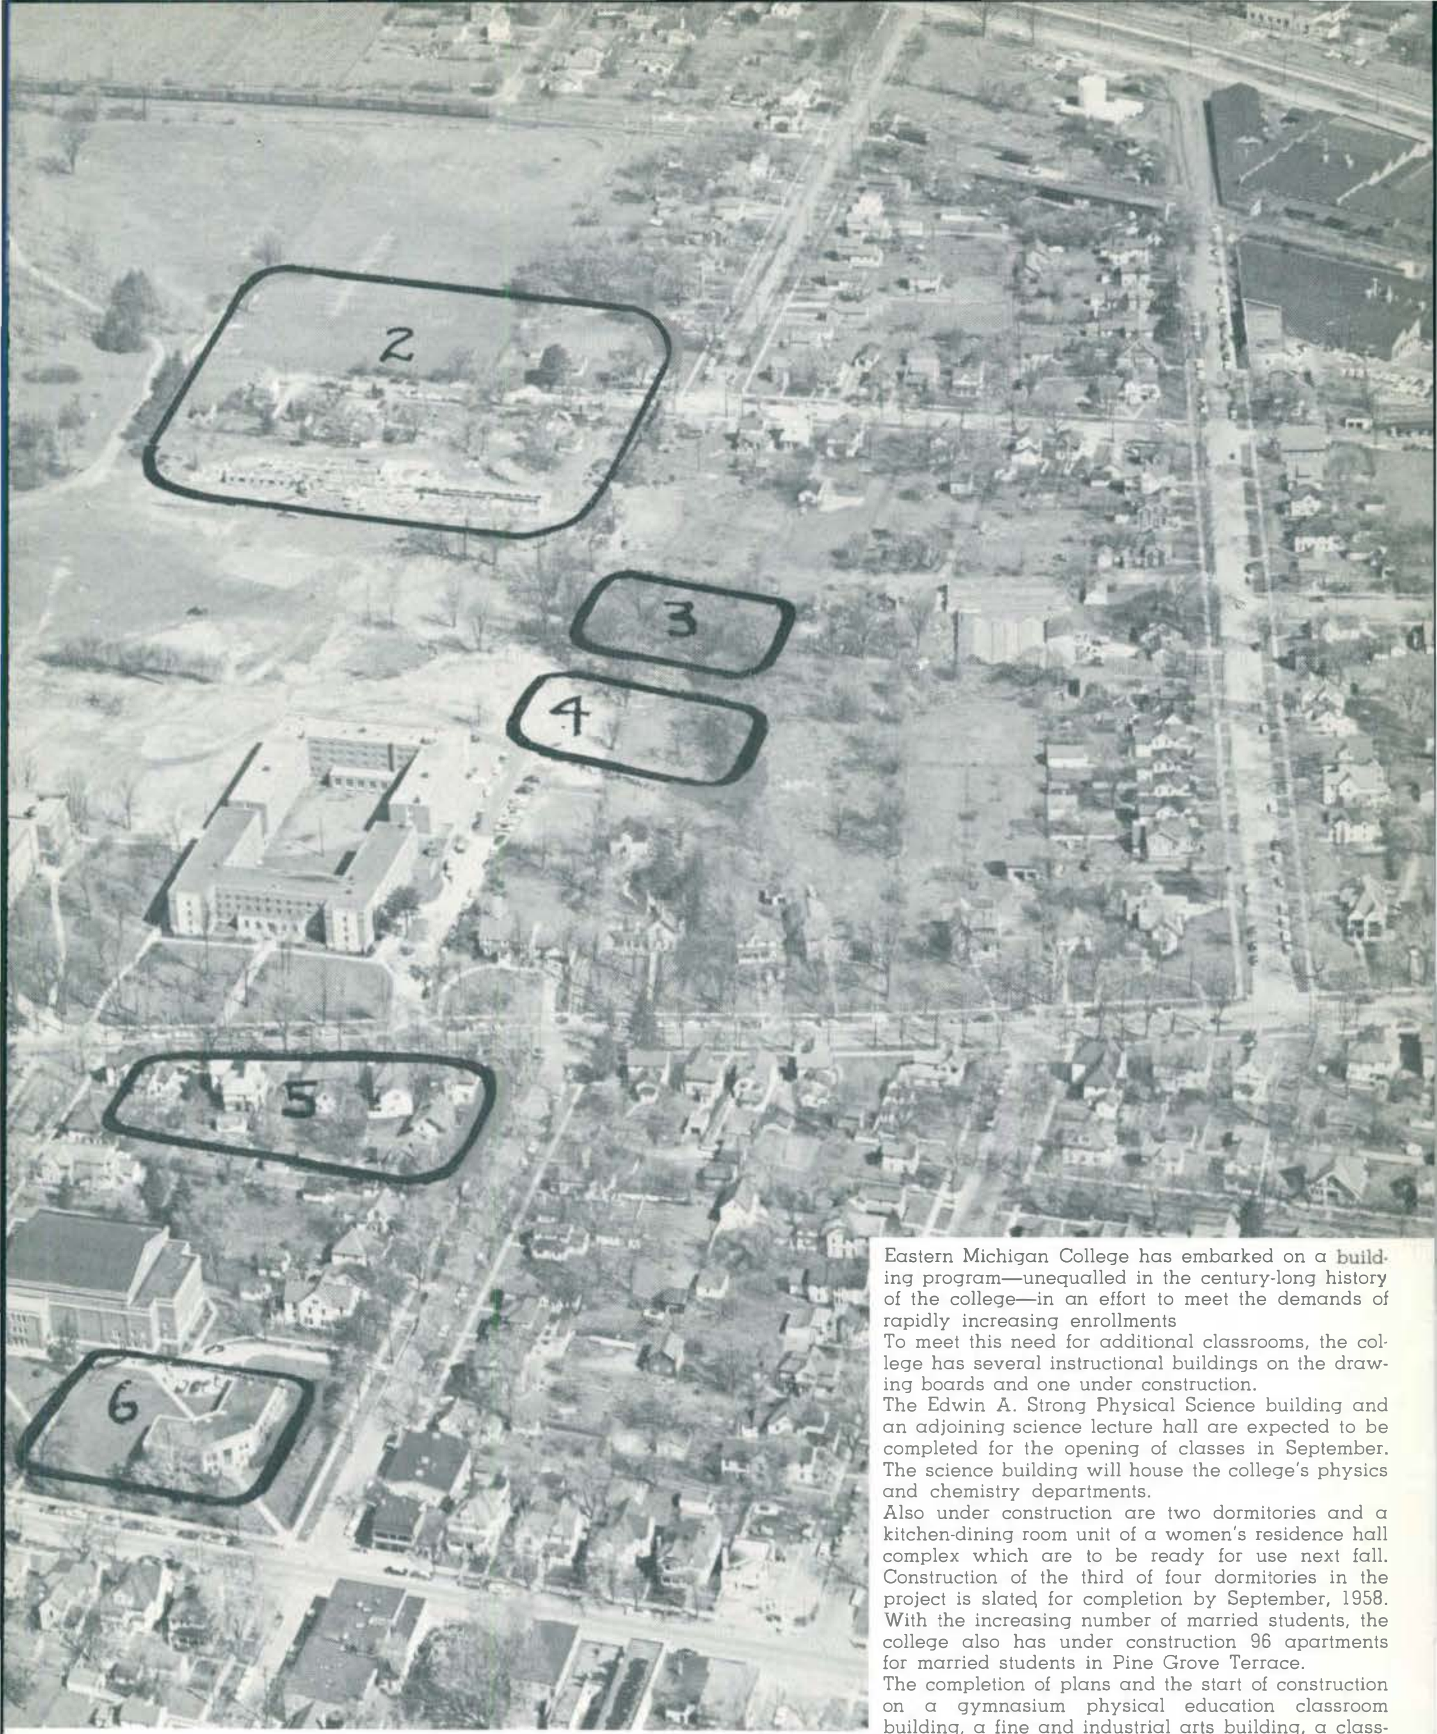
Making Plans

EMC
OUR FUTURE



Numbered areas indicate locations of 13 building projects, either under construction or in the planning stage. Key to numbers: (1) Married students housing, (2) Women's residence halls, (3) Theater, (4) Liberal Arts building, (5) Fine and Industrial Arts building, (6) Music building, (7) Instructional Services building, (8) Library addition, (9) Physical Science building, (10) Biological Science building, (11) Teached Education building, (12) Physical Education building, (13 Health Service.



Eastern Michigan College has embarked on a building program—unequalled in the century-long history of the college—in an effort to meet the demands of rapidly increasing enrollments

To meet this need for additional classrooms, the college has several instructional buildings on the drawing boards and one under construction.

The Edwin A. Strong Physical Science building and an adjoining science lecture hall are expected to be completed for the opening of classes in September. The science building will house the college's physics and chemistry departments.

Also under construction are two dormitories and a kitchen-dining room unit of a women's residence hall complex which are to be ready for use next fall. Construction of the third of four dormitories in the project is slated for completion by September, 1958. With the increasing number of married students, the college also has under construction 96 apartments for married students in Pine Grove Terrace.

The completion of plans and the start of construction on a gymnasium physical education classroom building, a fine and industrial arts building, a classroom wing for the new physical science building, a teacher education classroom building, an instructional services building, a liberal arts classroom building, an addition to the college library and a biological sciences building are in the future for EMC.

This year plans were announced for a large-scale building package to be financed by bonds issued against student fees. Included in this package are a new health service, a theater and dramatic arts building and conversion of the present health service to a music building.
